FORTBILDUNGSTAG IN LUZERN
ADVANCED TRAINING IN LUCERNE
09.11.2019

**KOMPLIKATIONEN IN DER AESTHETISCHEN CHIRURGIE
COMPLICATIONS IN AESTHETIC SURGERY**

Bourbaki Panorama, Löwenplatz 11, 6004 Luzern

Liebe Kolleginnen und Kollegen,

Es ist uns ein Vergnügen, Sie für die Teilnahme am Fortbildungstag der SGAC-SSCE zum Thema **'KOMPLIKATIONEN IN DER AESTHETISCHEN CHIRURGIE'** im historischen Bourbaki Panorama in Luzern einzuladen. Zentrale Thematik ist die **Erkennung, Vorbeugung und das Management von chirurgischen und nicht-invasiven Komplikationen**.

Erstmalig haben wir auch eine **Round-Table Diskussion** zum Thema der Patientensicherheit der **Hyaluronsäure-Injektionen** organisiert und nebst ärztlichen Key-Opinion-Leadern auch Vertreter aller namhaften Firmen gewinnen können.

Wir freuen uns auf Ihre zahlreiche Teilnahme!

Dear colleagues,

It is our pleasure to invite you to participate in the SGAC-SSCE training day on **'COMPLICATIONS IN AESTHETIC SURGERY'** at the historic Bourbaki Panorama in Lucerne.

The main topic is the **detection, prevention and management of surgical and non-invasive complications**.

For the first time, we also organized a **round-table discussion** about patient safety of **hyaluronic acid injections**. For this, we were able to get the support of both medical key opinion leaders and representatives of all well-known companies in this field.

We are looking forward to seeing you in Lucerne!

Urs Bösch

Kai-Uwe Schlaudraff
